Conservation for historic districts

12 Historic Districts in the city with 27.5 square km
2004年末，第一个历史文化风貌区
衡山-复兴历史文化风貌区保护规划
编制完成
The first conservation planning
for the historic district
Who are involved in the preservation practice?
And how?

local government
developers
local inhabitants
planners and architects
What is the land use policy?
How many private properties?
How about the future of the communities?
Thank you!
